By reaching more than 50,000 people each year, GREAT brings our community together through the transformative power of the arts.

GREAT is committed to attracting and retaining employees with varying identities and backgrounds. We aspire to create a team that represents the diversity of our community while creating a space that encourages and embraces inclusiveness, equal opportunity, and respect. Additionally, we are committed to anti-racism through ongoing and consistent action, moving with urgency while identifying both immediate and long-term strategic actions, both as individuals and collectively as an organization.

About GREAT Theatre's Summer Education Programming

GREAT Theatre's summer education programming is a multi-program experience that equitably delivers theatre opportunities to the youth of all communities in Central Minnesota. A pillar of this is GREAT's summer theatre camps. Open to youth ages four through high school, camps are located in over a dozen schools and theatre spaces throughout Central Minnesota. With a wide range of offerings and age-appropriate curricula, camps are designed to meet the needs of each

participant whether they are a seasoned performer or stepping on stage for the first time. Born from our popular theatre camps in 2018, GREAT's summer partner programming has become core to our summer theatre experience. By partnering with local youth-facing organizations, we offer our high-quality drama workshops at no cost to partners or those participating. This allows thousands of youth who may not otherwise have access to summer theatre camps the opportunity to participate in high-quality theatre experiences. Together, this multi-program experience allows GREAT to equitably deliver theatre opportunities to over 1,200 youth every summer.
