Through dynamic on-stage programming that consists of producing 8-10 full-scale shows featuring local talent, multiple production collaborations, and innovative off-stage educational outreach throughout Central Minnesota, we invite people to be part of the story to build a more vibrant community, celebrate differences, and create a sense of belonging for everyone. By reaching more than 60,000 people each year, GREAT brings our community together through the transformative power of the arts.

GREAT is committed to attracting and retaining employees with varying identities and backgrounds. We aspire to create a team that represents the diversity of our community while creating a space that encourages and embraces inclusiveness, equal opportunity, and respect. Additionally, we are committed to anti-racism through ongoing and consistent action, moving with urgency while identifying both immediate and long-term strategic actions, both as individuals and collectively as an organization.
