

## **GREAT Theatre Job Description**

### **Position Title: Scenic Build Internship**

Status: Paid Internship / hourly

Duration: August 2019-May 2020 (flexible on start and end date)

Reports to: Technical Director

#### **Position Summary**

The Scenic Build Internship will experience all carpentry and electrical aspects of GREAT Theatre's productions, and events. This includes scenic construction, shop supervision and installations of set. This person will have the opportunity to work with a wide variety of professional theater artists and local volunteers. This is an opportunity to build an impressive portfolio with real results.

#### **Job Functions**

- Construction of theater sets to include wood, metal, and painting.
- Organize and maintain safe shop space.
- Transport, assemble, and strike stage scenery for productions, and events.
- Painting, crafting and electrical work.
- Ability to work both independently and as a contributing member of a team
- Ability to support GREAT's values and operating procedures

#### **Education and/or Experience**

This position is geared towards an individual seeking a degree in scenic design, construction, welding, or similar degree looking for an opportunity to use their skills to build their portfolio.

#### **Key Performance Indicators**

- Completes assignments on time and according to quality expectations.
- Receives positive feedback from the GREAT staff, volunteers, and production team.
- Attains established goals.

This position may require work on nights and weekends, as deemed necessary. The position may require minimal travel (mostly within 60 miles of downtown St. Cloud) and some lifting (up to 50 pounds).
