FUN AND REWARDING SUMMER CAMPS THAT BUILD  
LIFE SKILLS THROUGH STAGE SKILLS.

# The GREATEST *summer yet*

With a brand new curriculum, the construction of our innovative Learning Lab and more enthusiastic instructors than we can count, this is a summer of theatre camps you don't want to miss out on!

GREAT Theatre summer camp brings education to the stage for boys and girls of all ages and backgrounds. You don't need to have an Oscar to attend (or any experience at all)! Our camps empower kids through the performing arts by building their confidence, leadership and teamwork skills. Parents love the safe, rewarding environment for their kids to explore theatre, build lifelong skills and meet friends and mentors that extend far beyond the stage.

Camps have limited spots available and tend to fill up quickly, so be sure to sign up as soon as registration opens so you don't miss out. After all, GREAT Theatre summer camps are the most fun you'll have indoors all summer!
